All Energy			\$.0885 per kWh

Control Penalty

Demand Charge Penalty

Failure to control demand when signal is sent by Dairyland Power Cooperative will result in the following demand charges, adjusted annually, to correspond with the wholesale charges. The charge shall be adjusted incrementally from the stated base rates below.

Summer Months (May – October consumption)	\$68.00/kW season
Winter Months (November – April Consumption)	\$31.00/kW season

The penalty is to be calculated using the same methodology as is assessed in the wholesale billing.

Minimum Monthly Price

In the event the monthly calculated bill is less than any of the following, the minimum monthly charge shall be the highest one of the following:

Title: President

- 1 The minimum monthly charge specified in the service contract.
- 2 A charge of \$1.00 per kVa of installed transformer capacity.
- 3 The monthly facility charge

All Rates

Minimum applies 12 months per year even when disconnected. If meter is removed billing will stop. However, when service is reconnected a bill will be rendered for months not billed. This applies to services disconnected for up to 2 years.

Billing

The bill is the amount computed when applying the facility charge, the power cost adjustment and the above price to the number of kWh's consumed. All applicable charges including, but not limited to, security lighting, load management devices, taxes, and commitment to community charge shall also apply. Bills are rendered on or about the 5th day of each month. The bill becomes delinquent if not paid within 20 days of the billing date after which a late payment charge shall apply.

When payment is made after the due date, a late payment charge is added. The late payment charge will be 3% of the current portion of the unpaid billing.

When service is connected or disconnected the monthly facility charge shall be prorated for the number of days available.

Budget Billing

The terms and conditions of the Cooperative's Budget Billing Program are contained in Clark Electric Cooperative's Governing Policies – Policy 500, Section V, 1-D.

Taxes

Any taxes, based on revenue from the sale of electric energy which the cooperative is required to collect will be itemized on the bills and subject to the same terms of payment as are the energy charges.
