

# CLARK ELECTRIC AWARDS \$9,000 IN SCHOLARSHIPS

**C**ongratulations to these 12 area students who have each been awarded a \$750 scholarship through Clark Electric Cooperative's Federated Youth Scholarship Program.

Each year we offer scholarships to high school students whose homes are served by Clark Electric and who attend schools within our service area. These scholarships are financed through the Federated Youth Foundation Scholarship Program, which is funded from unclaimed capital credits. Federated Youth Foundation is a non-profit charitable foundation serving cooperatives in Wisconsin.

Concern for Community is one of the co-op principles; helping our youth further their education is one way we demonstrate that principle. Clark Electric is proud to help these fine young people meet their educational goals.
