Available speeds are “up to” and are not guaranteed and will vary*.

**UNLEASHED: Speeds are “up to” and are not guaranteed and will vary based on where you live. If your data usage is trending to exceed the “typical usage” of a residential user on our network, you may have reduced priority during times of network congestion resulting in slower speeds. Typical usage currently means usage trending not to exceed 850 GBs in a 30-day period. The typical usage amount will vary based on network demands.

Plans will require customers to provide their own Wi-fi router that supports speeds greater than 100 Mbps.
