

Tim Stewart, CEO/Manager

ANNUAL MEETING SET FOR JUNE 15, 2022

Clark Electric Cooperative's Annual Meeting is scheduled for June 15, 2022 at the Loyal Legion, 302 N. Union St., Loyal, Wisconsin, starting at 9:30 a.m.

The Annual Meeting is an important event for the cooperative. Members will hear reports about the cooperative and the electric industry, review financials, conduct business, and elect their representatives to serve on the board of directors.

As you may recall, last year the cooperative members approved a number of bylaw amendments including amendments that addressed the governance process. The new process is summarized below and is not intended to replace the detail found in the bylaws.

Nominations by Petition

- Effective with the 2022 annual meeting of the members, candidates for director shall be nominated exclusively by petition. For a candidate to be validly nominated, the petition shall contain the signatures of no less than ten (10) members. The signature of either or both members holding a joint membership shall constitute the signature of one (1) member. To be valid, a petition must be received by the cooperative not less than 60 days prior to the annual meeting (in 2022 that date is April 16, 2022).

Voting in Person or by Absentee Ballot

- If there is only one (1) nominee for a seat, election may be by unanimous consent or by voice vote or similar process at the annual meeting, without the need to cast written ballots. Where there is more than one (1) nominee, the election will be by ballot. Members may vote in person or by absentee signed ballot. Absentee ballots shall be provided to all members. To be counted, absentee ballots must be received by the cooperative or designee not later than noon on the last business day preceding the day of the annual meeting. The absentee ballot will be included in the annual report, which will be mailed to all members in May.

Director Districts

- Director district boundaries are intended to balance the number of members in the respective districts while endeavoring not to split towns, villages, or cities between districts. See map of director districts at right.
- The cooperative has seven (7) directors, two of which serve from each district and one (1) serving in an at-large position.

This year members will be asked to elect two directors for a three-year term: one position from District 2 and one from

District 3. These seats are currently held by Chuck Lindner, town of Eaton (District 2), and Allen Jicinsky, town of Spencer (District 3). These directors are eligible for re-election.

Any advisory resolutions must be received by the cooperative at least 15 days prior to the annual meeting

The cooperative's bylaws establish the minimum qualifications for being a director as well as broader detail on the election process. A copy of the bylaws is available on the cooperative's website at www.cecoop.com or by contacting the business office at 715-267-6188. If you have any additional questions about becoming a director, please contact Tim Stewart, CEO/GM, at the business office.

Directors are expected to attend monthly board meetings; represent the cooperative in state, regional, and national affairs; and take advantage of NRECA educational opportunities such as classes, seminars, and workshops. Directors need to read, study, and analyze a lot of information throughout the month to keep informed on the electric industry. Directors will spend approximately 20 to 35 days a year in performance of their duties.

Mark your calendar and plan to attend the annual meeting, enjoy a nice chicken dinner, register for door prizes, and help conduct the business of your electric utility. Member involvement is critically important to the success of your cooperative.

Watch for more information regarding this important event.

Kip Shock, left, and Trevor Nelson

WELCOME, NEW EMPLOYEES

Clark Electric Cooperative recently welcomed new employees to our Operations Department. Kip Shock, apprentice lineman, is from La Crosse. He graduated from CVTC in Eau Claire with a technical degree in Electrical Power Distribution in the spring of 2019. Kip worked for Xcel Energy in La Crosse for two years in transmission and one year in the generation plant.

Kip and his fiancé have recently made Greenwood their home. He enjoys hunting, fishing, and ATVing in his spare time.

Trevor Nelson, apprentice lineman, is originally from Neillsville and has recently moved to Stanley with his wife, Teagan. Trevor graduated from the Electrical Power Distribution program at CVTC in Eau Claire in the spring of 2015. He worked for the Canadian National Railroad before coming to Clark Electric.

In his spare time Trevor enjoys hunting, fishing, and any outdoor activities.

Please extend a warm welcome to both of them when you see them in your neighborhood working hard to ensure your power is on when you flip the switch.

SCHOLARSHIP APPLICATIONS DUE MARCH 7

Scholarship applications must be received in our office by **Monday, March 7, 2022**.

Applications are available at your school's guidance counselor's office or online at www.ccecoop.com.

★ ★ ★ THANK YOU ★ ★ ★

Good morning Tim,

I know it's not Veterans Day but I think it is worth mentioning. It's 4:20 am, I'm on my way in to move snow, I'm driving up the street and I do not see the flag, my first thought was that there was no wind and it was tight to the pole. When I got closer, I could see that it was in fact missing. I know that it takes a special tool to lower it so I knew that something must have happened, the cable had broken once before.

I started moving snow and when I got closer to the pole, I could see footprints in the snow at the base of the pole. From the machine I could see that the cable was in fact broken. So where did the flag go? My next thought was that a fellow employee had been here at some point during the weekend, noticed it and had picked it up. I continued moving snow and eventually made my way around to the front/main building entrance.

Found it! Someone had seen it lying on the ground and not only picked it up, but had taken the time to fold it properly with the stars out and had carefully tucked it in the door handle. I have not served in the military, but I understand the importance of this symbol of our Republic and have a profound respect for it and what it represents. Whomever the person or persons were that had held our flag in high regards, I think are deserving of a sincere and heartfelt Thank You!

I believe that we do live in the greatest country in the world and it makes me proud to know that others feel the same.

This letter was drafted by one of Clark Electric's employees.

HIGH SCHOOL STUDENTS:

Save the date for Youth Leadership Congress

July 12 - 14, 2022
UW-Stout, Menomonie

Watch for more details!

CAN YOU HELP US FIND THESE FORMER CLARK ELECTRIC MEMBERS?

The following members have capital credit refunds due them, but their whereabouts are unknown. If you know the address of anyone on this list, please let us know at Clark Electric Cooperative, 1209 W Dall-Berg Rd., P.O. Box 190, Greenwood, WI 54437, (715) 267-6188 or (800) 272-6188. If we cannot find these members, the unclaimed capital credits will be forfeited and assigned to the Federated Youth Foundation to be used for scholarships and other educational programs.
