

LINEWORKERS ARE WIRED FOR SERVICE

By Tim Stewart, CEO/Manager

Clark Electric Cooperative

Your Touchstone Energy® Partner

In the quiet hours before dawn breaks, while many of us are still nestled in our beds, lineworkers begin their day, often clad in flame-resistant clothing, safety goggles, rubber gloves and thick, heavy boots.

They are the individuals who epitomize dedication to service in its purest form. As we celebrate Lineworker Appreciation Day on April 14, this is an important moment to reflect on the essential role they play in our daily lives.

Amid towering utility poles and power lines, lineworkers exhibit a strength that goes far beyond the physical. Whether battling inclement weather, troubleshooting technical problems or navigating treacherous heights, lineworkers demonstrate resilience and a quiet determination to keep our lights on, our homes comfortable, and our communities connected.

Clark Electric Cooperative crews travel across our six county service territory, building, maintaining and repairing parts of our local system. Their extraordinary skills ensure our homes remain connected to the grid, businesses stay operational, and emergency services remain accessible—a lifeline that connects us all.

In moments of crisis, when the lights go out and we find ourselves in the dark, lineworkers emerge as

beacons of hope. Their swift response restores normalcy, offering reassurance in times of uncertainty. Whether repairing storm-ravaged power lines or ensuring continuity during emergencies, their unwavering commitment illuminates life when we need it most.

Clark Electric Cooperative lineworkers also answer the call beyond the boundaries of home. Our crews travel to fellow co-ops, near or far, when widespread outages occur and additional support is needed. Cooperation among cooperatives is one of our seven guiding

principles, and no one embodies this core commitment better than lineworkers.

This month, as we celebrate the remarkable people who ensure reliable power, let's recognize their unwavering dedication to the local communities they serve.

The next time you flip a switch, please take a moment to remember those who make it possible—lineworkers, who are wired for service and dedicated to illuminating life.

WISHING YOU A VERY

HAPPY EASTER

Our office will be closed on Good Friday, April 18.

WE NEED YOUR HELP

In April, we are sponsoring a mail survey of a randomly selected sample of our residential members asking information about your home, appliances, energy efficiency, and opinions regarding a handful of energy topics. If you receive a copy of this survey, we request that you take 10 minutes to complete it and return it to our survey processor in the postage-paid envelope that will be provided or using the online survey link provided. We thank you in advance for your participation.

ATTENTION HIGH SCHOOL STUDENTS!

Don't miss the chance to join us for the 2025 Youth Leadership Conference. You will get a glimpse of college life at UW-Stout!

It's that time of year when Clark Electric Cooperative is looking for students from local high schools to represent us at this year's Youth Leadership Conference to be held on the campus of UW-Stout July 15-17, 2025.

The WECA Youth Leadership Conference (YLC) is a great opportunity for students to develop and enhance their leadership potential. The event is sponsored by Wisconsin electric cooperatives and is designed to help students develop leadership skills while learning the purpose, operation, and scope of cooperative business.

The event features leadership seminars led by nationally acclaimed speakers and presenters focusing on the structure of the cooperative business, developing leadership skills, team-building exercises, and many other fun activities. Join students from your neighboring schools to learn what makes the cooperative business model different and successful.

Clark Electric has sponsored students to this event since its inception. We believe in developing the potential of tomorrow's leaders. The YLC is a fun and educational event, designed by students who were elected by their peers at the previous year's conference to serve on the WECA Youth Board.

There is no cost to the student for attending. The registration and travel expenses will be covered by the cooperative. If you are going to be a sophomore or a junior in high school this coming fall and would like to be a sponsored representative for Clark Electric Cooperative, contact your FFA or FBLA advisor for a co-op registration form by May 14, 2025. You may also contact Michelle Walde, administrative/member services representative, at 715-267-6188 or 1-800-272-6188.

SAVE THE DATE

CLARK ELECTRIC COOPERATIVE'S ANNUAL MEETING

May 21, 2025

Neillsville American Legion

Business meeting starts
at 9:30 a.m.

BEHIND ON YOUR BILL?

We encourage all members who may have fallen behind on their electric bill to contact our office before April 17, 2025.

ENERGY EFFICIENCY TIP OF THE MONTH

Turn your suds into savings. Lower your energy use in the laundry room by washing clothes with cold water whenever possible, as heating water accounts for most of the energy used in a laundry cycle. Wash full loads to make the most of energy savings, and use high-efficiency detergent designed for cold washes. For drying cycles, clean the lint filter before each load to improve airflow and use dryer balls to reduce drying time.

**You can't AVOID
what you CAN'T SEE**

Starting a job — big or small — without first getting utilities marked could result in serious injury, service disruptions for you and your neighbors, and a hefty fine.

Call 8-1-1 before you dig.

Learn more at: **Safe
Electricity.org**

DO YOU KNOW ANY OF THESE PEOPLE?

The following members received electric service from Clark Electric Cooperative several years ago, and the capital credit funds are still being held in their names. We have been unable to return this money because we do not have a current address for these members or their heirs. If you know any of these people, please ask them to contact our office at 715-267-6188 or 800-272-6188 or write to us at Clark Electric Cooperative, P.O. Box 190, Greenwood, WI 54437.

To Claim these funds, you must contact Clark Electric Cooperative and provide satisfactory evidence of your right to receive them. If we cannot locate these people, the unclaimed funds will be forfeited to the cooperative, pursuant to Wisconsin Statutes Section 185.03(10). These forfeited funds are used to provide scholarships and other educational purposes funded through Clark Electric Cooperative's association with the Federated Youth Foundation.

Part 2 of the unclaimed funds listing continued from last month.
